

CERTIFICATED VACANCY

INSTRUCTOR: Emergency Medical Technician

Work Location: West Covina

Hourly As Needed / 10-Month

\$ 22.52 – 34.72 per hour

(Starting rate depending on education and prior teaching experience)

Medical, Dental, Vision, & Life Insurance
Benefits Available

DUTIES AND RESPONSIBILITIES:

Teach students who are interested in becoming an emergency medical technician, emergency room technician, or ambulance driver health team responsibilities and teach them to evaluate and respond to medical emergencies. Teach the introduction course to high school students and assist with the training of adult students for EMT certification.

MINIMUM QUALIFICATIONS:

At least 2 years of academic or clinical experience in emergency medicine or pre-hospital emergency care within the last 5 years. Must be licensed in California as an EMT-I or paramedic. In addition, must possess (or be eligible and willing to apply for) a valid Designated Subjects Credential authorizing services in vocational education for designated subject. This requires possession of a high school diploma or equivalent, and five years of recent experience in the technical skill, trade, or vocation to be taught. One year of the required experience must be within the last three years. Up to three years of the required work experience may be substituted with additional approved, related post high school education, apprenticeship program, or college preparation.
